We, Dr. Ambedkar Institute of Management Studies and Research, Deekshabhoomi, Nagpur, are determined to change ourselves by undertaking actions before telling others to act.

-Recognizing that climate change is a planetary challenge of our generation and the dire need to take urgent actions to mitigate it,

-Noting that Climate Change is running faster than actions by humanity, pushing the whole planet Earth into the existential crisis,

-Acknowledging the warning by Intergovernmental Panel on Climate Change (IPCC) to limit the rise in temperature to 1.5 deg. C or not more than 2 deg. C above the pre-industrial level to avoid the catastrophe,

-Noting the opportunity of partnership offered by TERRE Policy Centre through its **Smart Campus Cloud Network (SCCN)** to empower and guide us to develop the road-map towards carbon neutrality and its implementation through digital dashboard and tracking app,
